

*REMARKS*

Applicants have canceled claims 1-13, 24, 28-32.

Applicants have amended claims 14-23, 25-27, 33-40 to correct punctuation and/or grammar, and to clarify the scope of the claims, not to narrow the claims, overcome any prior art, or for other reasons of patentability.

Applicants have added new claims 41-69.

Applicants have amended the specification to correct grammar and to conform the specifications of the pending application and the parent patents, U.S. Patent Nos. 5,738,014; 6,113,346, and 6,726,433.

No new matter has been added to the application.

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
